GETTYSBURG HIGH SCHOOL

Foreword . . .

As another school year ends, the senior class of nineteen hundred and fifty-nine wishes to bid a fond farewell to all the victorious athletic events, the terrifying stage fright of our senior play, the important occasions of learning and the magic moments of the senior prom. As we leave forever the hallowed halls of Gettysburg High School, these, a few among many of the joys and sorrows of our six years here, will never be forgotten.

In Memoriam

RICHARD E. WEIKERT

In memoriam of Richard E. Weikert, who died July 15, 1957. Ricky was a well liked classmate and friend of everyone in our class. We shall always remember the quiet little guy who was elected vice president of our junior class and never shall we forget his friendly smile.

Oh, Gettysburg, Maroon and White all hail
to you,

We pledge to thee our loyalty our Alma
Mater true;

As school days end and years roll by we'll
fond and faithful be;

On, Gettysburg, Maroon and White, all hon-
or be to thee.

The members of the Class of 1959 take this opportunity to express their appreciation and best wishes to all of the faculty and administration who have worked with us during our school years. For your patient instruction in classes, sympathetic guidance in our programs and careers, cheerful assistance in extracurricular activities, and above all, your personal interest and inspiration, we thank you.

Administration

Gettysburg School System

The class of nineteen hundred and fifty-nine desires to express its sincere thanks to its very efficient school board. It has been this group which has made these twelve years of free public education possible. They have established the rules which make our school run more efficiently. By budgeting the taxpayers money, they have been able to provide us with the necessities for an adequate high school education. We hope that these people will receive their reward for the time and effort which they have spent on us when they see the future success of the members of this graduating class.

Superintendent

In this country we believe in equality of opportunity for every person. The free society in which we live cannot work or exist unless everyone in it gets a fair chance to develop whatever abilities he has. Your community has given you that chance. Your education should continue beyond high school and it can continue even though you do not attend formal classes beyond high school. In any work you attempt to do you will find that you need facts and balanced judgment. You have had an opportunity to acquire these. I hope you have profited from this chance, that you will continue to learn, and that your experiences after high school will be constructively helpful to you and beneficial to the communities in which you will live.

H. EDGAR RIEGLE

G. W. LEFEVER
Principal

There are unlimited opportunities for young people who complete their high school education this year. Whether you go into the labor market or to college, your success will depend on your attitude toward doing the best job possible.

More scholarships to colleges and jobs in industry are available to the young people than ever before. The people who are chosen will be those who have achieved in school and are qualified to compete for these rewards.

Our best wishes go with you.

Cafeteria Maintenance

We, the seniors of the class of 1959, wish to express our thanks to those who dutifully carried out their jobs in our cafeteria and throughout the school. We realize that it has not been an easy job, but your efforts have been appreciated by the student body. We know that you will continue your fine services.

Now we turn to the future. We have bidden the past adieu. We can laugh and lift a hand to the years ahead: "Come on, we are ready for you!"

Senior Class Play...

"The Little Dog Laughed" was presented on March 20, 1959, as the senior play. "The little dog laughed to see such sport . . ."—Mother Goose

Laurie Huntington, a pretty sophomore majoring in psychology, comes home from college; and in no time at all: She's "psychologizing" her younger brother . . . psycho-analyzing a taxidermist-ornithologist . . . insisting that her family seek their Energy Peaks by taking temperatures every hour . . . and throwing the entire neighborhood into a turmoil with her Zombrowski Ink Blot Test.

The play was directed by Miss Ruth McIlhenny and Mrs. Charles Smith, Mary Jarvis was the student director. The Stagecraft Club, newly formed this year, was in charge of scenery. Ten committees worked on various aspects of the production.

Congrats boys. . . You deserve it!

Summary of Games

7 Westminster 28

Hampered by a rash of fumbles in the first three minutes of play, two of which were turned into Owl touchdowns, the Warriors were unable to recover. Gettysburg definitely played a second-half ball game.

0 Shippensburg 0

Gettysburg, although favored, could not break the Greyhound defense and were held to a 0-0 tie. The Warrior defensive squad also played well, holding the Shippensburg star, Jones, to little yardage during the evening.

9 Chambersburg 19

Beating the powerful Valley Trojans was more than the gridmen of G-Burg could accomplish. Washabaugh was the outstanding performer for Chambersburg in this contest. Once again the Jones boys never could make up for the first few minutes of play.

24 Mechanicsburg 7

An underdog G-Burg squad invaded and trounced the Wildcats soundly. Joel Riddlemoser led the Battlefield boys to pay dirt with fine passing and play calling. Junior fullback Bob Furney scored three touchdowns and senior halfback Tom Crist put on the finishing touches.

19 Hanover 14

Ben Jones's Battling Battlefield Boys turned in a magnificent finale against the Nighthawks from Hanover. Captain Gary Maitland romped 62 yards and fired a TD pass to Crist, while Crist polished the job on an end sweep.

6 Middletown 13

Once again the favored Warriors failed to bring home the bacon. A blocked punt and a fumble in the same period gave the Blue Raiders of Middletown their only scores. G-Burg opened the game fast, moving up the field like greased lightning with Furney scoring. However, the drive stalled and the Raiders took home a victory.

13 Hershey 6

Perhaps the turning point in the Warrior campaign showing the real Gettysburg potential was the Hershey game. The Warriors melted a powerful Chocolatetown squad with strong defense and driving offense. Nick Nichols, junior field-general, scored twice with Furney adding a placement.

21 Waynesboro 0

With a drastically changed lineup, the mighty Warriors romped over the Waynesboro Indians. The Indians could neither stand the pounding of the Gettysburg defense nor stop the Warrior ground getters. This was definitely a team victory.

6 Carlisle 13

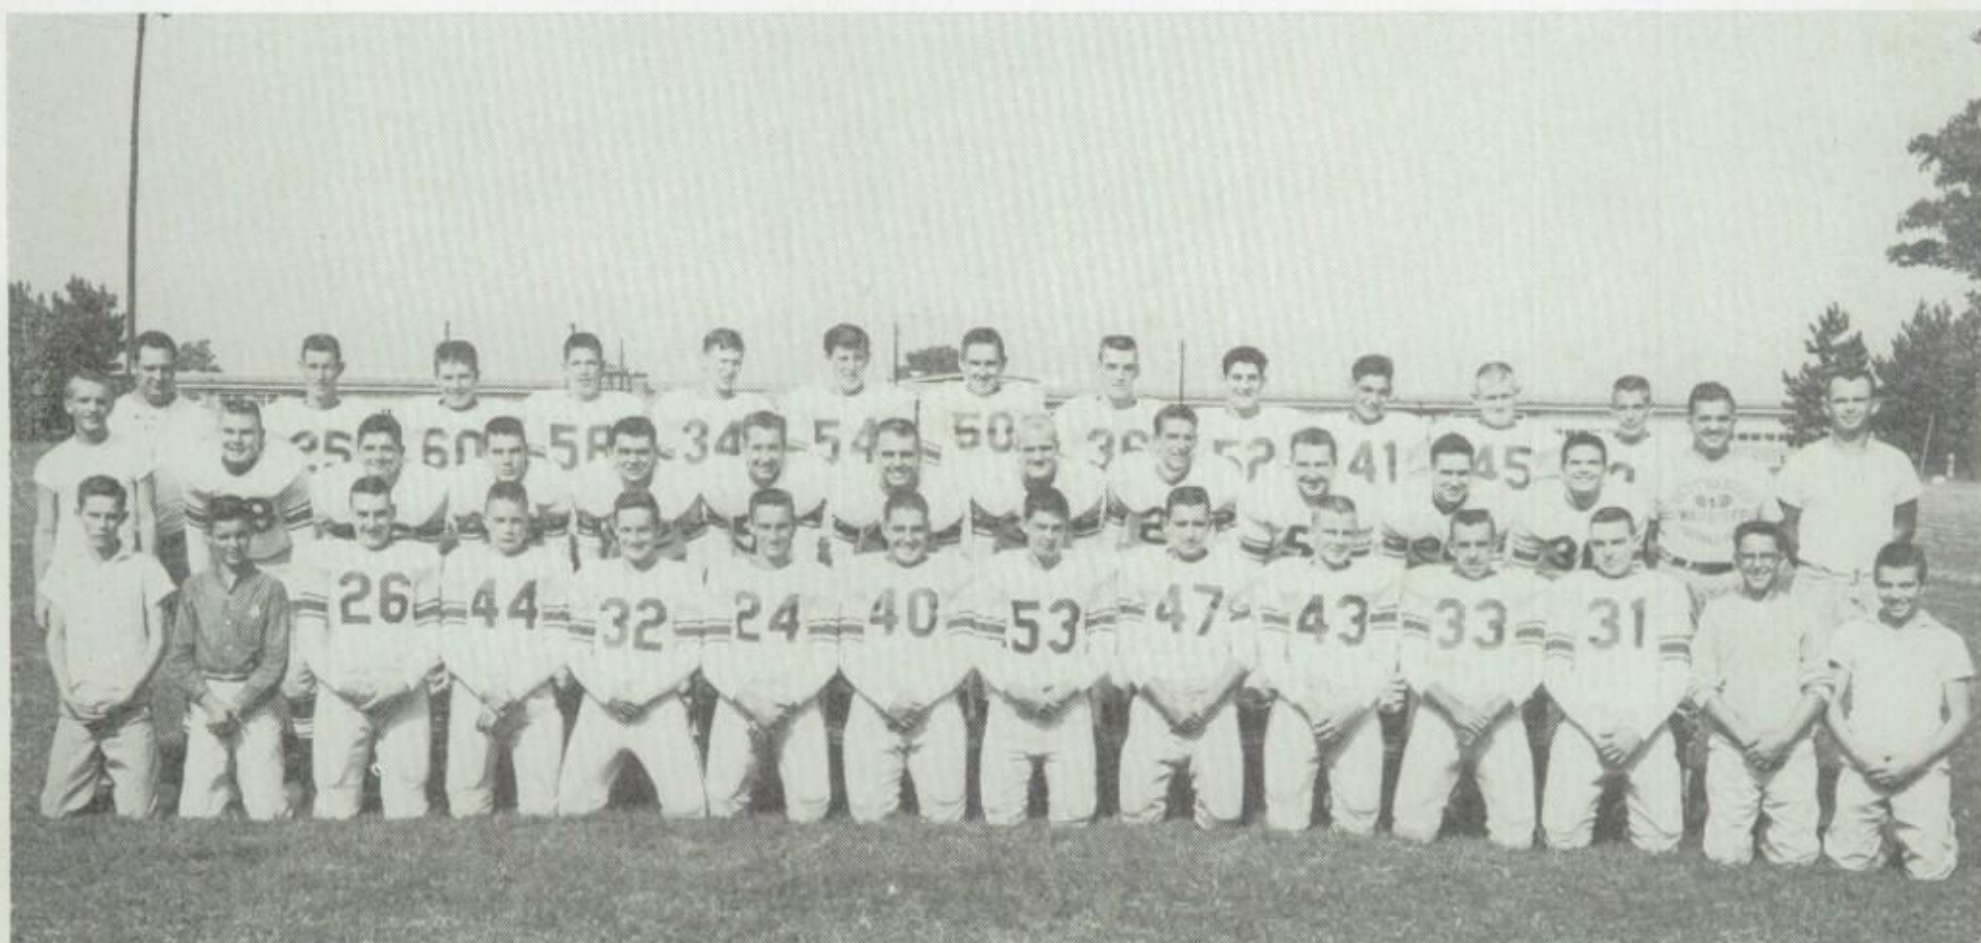

A large Gettysburg crowd traveled to Carlisle to watch a hard-fought game. This was perhaps one of the finest in the South Penn this year. Bob Furney scored after a recovered fumble. The Warriors played a very good defensive game with two brilliant goal-line stances.

The purpose of the Girls' Athletic Association is to promote good sportsmanship among the students, to provide a higher standard of athletics in school, and to promote better habits.

The cabinet is the executive body of G.A.A. and plans for all the sports which include: field-ball, volleyball, basketball, archery, badminton, table tennis and softball.

By means of a point system, girls who participate in these sports attain awards.

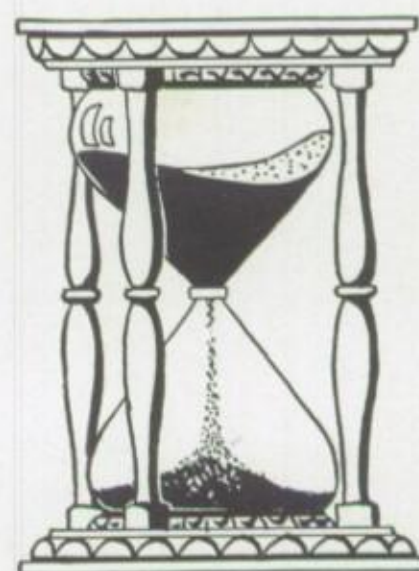

Who will get there first?

Watch those fouls!

Only through the cooperation of our local merchants and their interest in Gettysburg High School and the Class of 1959 has it been possible for us to publish a yearbook to remember this glorious year. We wish to thank all these advertisers for their support and response to our staff.

Educated People Save

It is told that Indians of Paraguay plowed all day with oxen and then killed the oxen for supper. The primitive mind gave no thought to the morrow. The habit of saving is the mark of the educated man and woman. Also, it is one of the privileges enjoyed in a free America.
